7 Examples³

7.1 Example 1:

Client X deposited 500 USD on Tuesday the 21st of June, 2022 and accepted T&Cs on the same day. As per Table 1, the Client shall be under Level 1. During the Client's first week of participation in the Promotion, the Client has traded ten (10) Lots and has not withdrawn any amount, therefore on the following Tuesday shall receive a total of 20 USD as Cashback rebate rewards. Client X may view the weekly rebate rewards in their personal MyCapital page. Over the course of the Promotion, Client X can receive a maximum of 500 USD as rebate rewards, unless a significant increase in their total Net deposit(s) has occurred, that would upgrade the Level of Client X.

7.2 Example 2:

Client X deposited 22,000 USD on Friday the 1st of July, 2022 and accepted T&Cs on the same day. As per Table 1, the Client shall be allocated to Level 2. During the Client's first 30 calendar days of participation in the Promotion, the Client has traded twenty-eight (28) Lots and has not withdrawn any amount. Therefore, as per Table 2, on August 1st, 2022, Client X shall be downgraded to Level 1, decreasing the Maximum payout and Cashback rebate per Lot traded. 30 calendar days on September 1st, 2022, Client X will be upgraded back to Level 2 and will be reviewed again during the next Level check, on October 1st, 2022.

³ All dates mentioned in Clause 7 are not specific to the Promotion Period.
